## Our New Area Supervisor

Due to the on going growth of our Company we have added another Area Supervisor to our Daily Office Cleaning division. Existing employee Benjamin Jinariu was the successful application for our new position. We welcome Benjamin to our Area Supervisor team.

**Benjamin Jinariu-** In 2007 I moved to Ireland with my family. I finished my studies in Waterford at St Pauls Community College going onto Waterford Institute of Technology. After that I moved to the big city, Dublin. I started a job as a receptionist in a hotel remaining there for 2 years. After this role I moved to the Catering Industry where I spent over 3 years working as a Supervisor and then

as a Manager. In 2016 I commenced working for Cagney Contract Cleaning as a daily office cleaner on a high profile site, I was quickly promoted to Site Supervisor. This position allowed me to learn the requirements of the Cleaning Industry including the importance of building a good relationship with the operatives and the clients. I commenced working in the role of Area Supervisor in August 2018. Working with Cagney Contract Cleaning is a great journey and I am enjoying every day and the challenges that come with working on multiple sites and many staff.
